F. P. C.

Due to the fact that the farmers of Coffee County have been sowing so few peas each fall we thought in with the exact reduction that is planned. In other words, if we decide to ask for a 25 per cent results of Col. Peas should be elected if we could get farmers to sow 20,000 cide to ask for a 25 per cent results of Col. Peas has love the fact that the farmers of Coffee County have been sowing so few peas each fall we thought in giving his taxes contended that it was a lucky punch that did it.
